2023 Federal Regular Income Tax Information

Due to the provisions of the Tax Increase Prevention and Reconciliation Act of 2005, the portion of your dividends that is exempt from federal regular income tax is now required to be reported to you and the Internal Revenue Service on Form 1099-INT. The remaining portion of your dividends will continue to be reported to you and the Internal Revenue Service on Form 1099-DIV.

2023 Federal Alternative Minimum Tax Information

A portion of the funds' income came from investments in private activity municipal bonds (as described in the prospectus). While these bonds generally offer higher yields than traditional municipal bonds, the income they generate will be a preference item for purposes of calculating the Alternative Minimum Tax (AMT).

Income earned by these bonds was as follows of the total dividends paid by the noted fund class.

Your tax advisor can provide you with more information about this tax.
